Low-aroma fried chicken is here so you don't annoy other people

— *SoraNews 24*

The smell of fried chicken sure gets people really, really, excited, but there's always someone out there who isn't too enthusiastic about that aromatic blend of herbs and spices. In Japan, where politeness is ever so paramount, KFC is selling a special kind of low-smell fried chicken, according to Sora News 24. [Read more](#)

Giant Minions display fills Indiana man's yard

— *TheTakeout.com*

The owner says his display started as a

decorating 'war' with a neighbor to see who could have the most inflatables. "Last year we had about 30 minions, and then after Christmas, they went on sale so I bought 'em up and ended up with a bunch of minions," he said. [Read more](#)

Arby's is rewarding meat lovers with limited-edition Meat Sweats

— *Fox News*

Arby's has the meats, and this holiday season, they're going to be giving them away to their

favorite fans — to wear. [Read more](#)

Woman pukes directly behind Atlanta Hawks' team bench

— *NY Daily News*
